## What Are You Wearing? / Urban Optics, San Luis Obispo, Calif.

/ Your TURN

### DAVID "DOC" SCHULTZ, OD / OWNER

SUNY Optometry class of 1981.

Has 50 pairs of glasses, actively rotating through 12 depending on the occasion and what matches his outfit.

**FRAMES** / SALT Optics Harlan in MBKCFE (matte black over coffee)

**LENSES** / Shamir Auto III and Vantage Transitions. "All my glasses have antiglare lenses—I have been using it since the '80s."

"These are my most recent pair. I love the black laminated over the coffee brown and pewter, a versatile color with a contemporary Malcom X look—stylish yet casual."

### SUSAN WILKY / OPTICIAN

Just celebrated her 20th anniversary with Urban Optics, where she was originally a patient.

Owns approximately 30 frames. Wears four to five styles regularly.

**FRAMES** / Andy Wolf 5013

**LENSES** / Varilux S Series 4D with Crizal Avance UV

"I love the modern angles of this frame and lens size. I have a small face and it's hard to find zyl frames that fit my bridge. These fit so well, and the grey color is perfection! The S Series lenses are amazing—virtually no periphery blur."

### KYLA SKINNER / OPTICIAN

Has worked in optical since graduating high school 16 years ago and loves her job.

Currently has about 10 pairs of eyewear—five optical and five sun.

**FRAMES** / Jeremy Tarian Perree

**LENSES** / Hoya SYNC lenses with EX3 anti-glare

"I've had these for about 6 months. I love the larger square shape with a slight cat eye lift and the subtle mixing of brown/purple. They are limited release, handmade in France, with only 500 frames made per style. They fit like a glove!"
